

## **Parents Evenings**

We have two formal parent's evenings throughout the year; the first in the Autumn term and then again in the Spring term. It is an opportunity for you to talk with your child's class teacher to discuss their progress. The initial Parents Evening is generally to discuss how your child has settled into their new class; the next evening is where we will talk more about how your child has developed so far through the year. During the Summer term we hold an informal 'drop in' parents evening following parents/carers receiving an end of year school report, where parents have the opportunity to discuss anything written in the end of year report in detail with your child's class teacher.

Appointments for Parents Evening is done via Parentpay. Should you need any support in booking an appointment, please speak to the ladies in the school office who will be able to support you with this.
